of His Highness the Maharaja of Mysore,

SIR,

I have the honor to state that the Makan at Tayalur in the Mulbagal Taluk is a Muzrai Institution having been endowed with the marginally noted inam lands for its support. The Deputy Commissioner of the Kolar District while reporting that it is now an abandoned Mahomedan burial ground no one having a right over it, recommends that the accumulated savings of Rs.597-0-8 standing to its credit at the end of June 1929 may be transferred to the Hazarath Hydervalli Darga at the place as it is a major Mahomedan institution of importance now working with a debit balance.

	Wet.	129.	0-35	5-0-0

2. As the transfer of funds is proposed to be made from an unimportant and abandoned Mahomedan burial ground to an important institution in the same taluk, I beg to recommend that the Deputy Commissioner's recommendation may be sanctioned.

3. Proposals for the disposal of the endowed lands in conformity with the instructions laid down in G.O.No.1769-72/Muz. 49-28-2 dated 1-3-1929 will be submitted in consultation with the Deputy Commissioner.

I have the honor to be,
Sir,

OFFICE OF THE MUZRAI COMMISSIONER
IN MYSORE,
Bangalore, 20th July..... 1931

FROM

S. P. RAJAGOPALACHARI, Esq., B.A., B.L.,
Muzrai Commissioner in Mysore.

To

Rajasevaprasakta
R. Srinivasa Iyengar, Esq., B.A.,
Secretary to Government of His Highness
the Maharaja of Mysore,
Financial *Department*

SIR,

With reference to your letter No.243/Muz.15-28-2 dated 3rd August 1929 in regard to the transfer of a sum of Rs.597-0-8 shown in the Special Duty accounts as the closing balance of Tayalur Makkan to the credit of Hazarath Syedvalli Darga at Mulbagal, I have the honor to state as follows:-

The Deputy Commissioner has now reported that Tayalur Makkan is not a defunct Institution and that there is a Makkan known by the name of Tayalur Makkan. This is said to have been endowed with 3 S.Nos. as devadaya inam with an annual income of about Rs.50/-. The Makkandars are in the possession of the inam lands and have been conducting the services regularly. This Makkan is said not to have had any cash transaction at any time, and the balance referred to above could not possibly relate to this Institution.

There is a Masjid at Mulbagal known by the name of Pade Masjid. This has been endowed with inam lands of a larger extent. According to the Special duty accounts, there is no balance shown in favour of this institution on 1-7-1925, but on an examination of the Special Duty accounts and comparing the same with the taluk accounts, it has since been found that the balance of Rs.597-0-8 shown in favour of Tayalur Makkan relates to the Pade Masjid. This institution had a credit balance of Rs.164-13-1 on 1-6-1931 as per taluk accounts and there is an arrear gutta of Rs.67-13-0 to be collected. The bill for Rs.164/ on account of arrears of pay due to the Manager of this Masjid has been received

received from the Deputy Commissioner and is under scrutiny. There is no other present demand on the funds of this Institution.

The Hydervalli Darga at Mulbagal is a major Mahomedan Institution with a cash grant of Rs.1,075-11-0 per annum. The marginally noted scale of expenditure has been in force since the Inam Settlement.

i.	Establishment charges at 63-11-0 p.m. or	764- 4- 0 P.A.,	)
ii.	Moharum charges	46- 1- 9 "	)
iii.	Charges on account of oo s.	265- 5- 0 "	)
		1075-10- 9 or	)
	Rs.1075- 11. 0 p.a.,		)

This Institution had a minus balance of Rs.276-12-1 on 1-7-1925. (Serial No.37 Page 21 of the Annexure of the Government of May 1926), while the taluk accounts showed a plus balance of Rs.165-15- on that date but as no accounts were available for the period 1900 to 1909, the taluk figures could not be properly verified and the taluk was asked to adopt the debit balance of Rs.276 and 00a as fixed in the Special Duty accounts. The Institution had also to meet a sum of Rs.171/- on account of the Establishment fund contribution for the triennium ending 30-6-1929. The adjustment of the debit balance referred to above and the payment of the Establishment contribution depleted the funds of the Institution to a material extent with the result that the payment of the Establishment has fallen into arrears. The Deputy Commissioner has proposed the appropriation of the balance of Rs.597-0-8 now standing in favour of the Tayalur Makkan.

It has been shown above that this sum of Rs.597-0-8 really relates to the Pade Masjid at Mulbagal and not to Tayalur Makkan and the accounts of the former are on the right side. The Deputy Commissioner's proposal to appropriate this balance for the use of Hydervalli Darga does not appear to be fair, but as there is no source of providing necessary funds for paying arrears of pay to the Hydervalli Darga establishment, I recommend that a sum of Rs.550/- out of the above sum of Rs.597-0-8 may be lent from the Pade Masjid accounts to Hydervalli Darga on the condition of the amount being repaid in annual instalments of Rs.50/- each together with interest at 5% per annum, the balance of Rs.47-0-8 being transferred to the funds of former institution. This arrangement will not deprive the Pade Masjid of its funds while the urgent demand of Hydervalli Darga will be duly met.

6. The present scale of expenditure leaves no reserve for making payments,
